Tipo de producto: Carril Z

Familia de productos: EuropacPRO; RatiopacPRO; RatiopacPRO AIRE; CompacPRO; PropacPRO

Compatible con: Subpistas; Casos

Ancho del rack: 40HP

Longitud: 208.28mm

Cantidad del paquete: 1

Acabado: Anodizado

Material: Aluminio

Peso neto: 0.028kg

*The price shown is the per piece price and does not include VAT. Depending on local conditions, packaging and freight charges might not be included. Where these charges should be part of the total price, they are included in the quote. The price given is a non-binding recommended retail price (RRP), which is the nVent list price. The final sales prices of local distributors may vary. Quotations requested or generated on SCHROFF.nVent.com are only valid for commercial customers (B2B). The lead time displayed above is an estimate for this item to be dispatched from an nVent Schroff facility. Transit delivery times are not included in this estimate, as transit time may vary, depending on delivery address, parcel dimensions, and other factors. Cut-outs and modifications placed in non-recommended areas ("collision detected") for configured products may be subject to additional engineering and/or design costs, which may increase initially quoted prices.

DETALLES ADICIONALES DEL PRODUCTO

Se requiere un inserto roscado para asegurar el carril Z en el carril horizontal.

ADVERTENCIA

Los productos nVent deben instalarse y usarse solo como se indica en las hojas de instrucciones y materiales de capacitación del producto nVent. Instruction sheets are available at www.nvent.com and from your nVent customer service representative. La instalación incorrecta, el mal uso, la aplicación incorrecta u otras fallas en el seguimiento completo de las instrucciones y advertencias de nVent pueden causar el mal funcionamiento del producto, daños a la propiedad, lesiones

corporales graves y la muerte y/o anular la garantía.
