

Telescoping Screw Gun Box Bracket

The nVent CADDY Telescoping Screw Gun Box Bracket is a simple and intuitive support for mounting electrical boxes within stud wall applications. This solution delivers traditional mounting, which allows the bracket to bend for multiple depths and install easily with single or multiple electrical boxes. The notched and clearly marked bend points make installation safe, fast and easy.

FUNKTIONER

Designed for both single and multiple box mounting

Unique single-component break-apart design

Stamped inch markings and pilot holes accelerate precise box conduit mounting

Pilot holes allow for easy access with a screwdriver

Adjustable for non-standard stud spacing

Interlocking tab prevents accidental disassembly

Materiale: Stål
Finish: Pregalvanized

SPECIFIKATIONER

Katalognummer	Artikelnummer	Stud Spacing	Box Depth
