

# Double Cable Bracket with Plug

## FEATURES

Ideal for smaller runs of cables

Up to two plastic conduit clips can be attached to the bracket allowing the support of cables and conduits using a single hole in the concrete

Flexible clip retains shape and allows for cables to be inserted after installation

Cables are neatly installed providing a consistent and professional appearance

Low profile allows for installations in tight spaces

Tool-free push-in installation after hole has been drilled into the concrete

Halogen free

UV-stabilized
