

512 nVent CADDY EZ Riser for Close Quarters

The 512 nVent CADDY EZ Riser for Close Quarters is a quick-closing pipe clamp, ideal for vertical pipe in tight spaces. This innovative solution is designed for situations where a full-sized clamp would not fit—typically, when a pipe is close to the corner of a room. Ready-to-use out of the box, this solution has slotted holes to simplify assembly and eliminate loose hardware. Due to the serrated washer-head design, installers can easily assemble the EZ Riser for Close Quarters with just a single tool.

FEATURES

Only one tool needed to tighten due to serrated wash-heads

Short ears allow for use in confined spaces or corners

Conforms with Federal Specification WW-H-171 (Type 8), Manufacturers Standardization Society (MSS) SP-58 (Type 8)

Material: Steel
Finish: Electrogalvanized
