

# nVent CADDY Speed Link SLS with Duct Bracket

The nVent CADDY Speed Link SLS Duct Bracket delivers a fast, dependable way to suspend square duct, enabling crews to move quickly and reduce time on elevated surfaces. The tool-free locking device design makes adjustment simple and flexible when working with unknown structures or changing field conditions. Leveling and final positioning can be done quickly without specialized tools, ensuring contractors spend less time installing and more time finishing the job.

## FEATURES

Ideal for modular assemblies

Integrated pin installs easily using powder-actuated or single-shot gas-actuated tools

Ready-to-use out-of-the-box, eliminating the need for cutting or preparing sections of strut

Prevents wire rope from damaging ductwork

Designed to work with wire in order to fit application needs (sold separately)

Compatible with the nVent CADDY Speed Link SLS Locking Device and nVent CADDY Speed Link SLC System

## SPECIFICATIONS

Table 1/1

| Catalog Number | SLS2DBK | SLS3DBK |
|----------------|---------|---------|
