Single Cable Bracket with Plug

FEATURES

- Ideal for smaller runs of cables
- Up to two plastic conduit clips can be attached to the bracket allowing the support of cables and conduits using a single hole in the concrete
- Flexible clip retains shape and allows for cables to be inserted after installation
- Cables are neatly installed providing a consistent and professional appearance
- Low profile allows for installations in tight spaces
- Tool-free push-in installation after hole has been drilled into the concrete
- Halogen free
- UV-stabilized

WARNING

nVent products shall be installed and used only as indicated in nVent's product instruction sheets and training materials. Instruction sheets are available at www.nvent.com and from your nVent customer service representative. Improper installation, misuse, misapplication or other failure to completely follow nVent's instructions and warnings may cause product malfunction, property damage, serious bodily injury and death and/or void your warranty.
