ADDITIONAL PRODUCT DETAILS

Catalog numbers ending in B or BG represent the 2-piece panels, reference drawing configuration 2 in spec sheet. For all other catalog numbers, reference drawing configuration 1 in spec sheet.

Catalog numbers with B suffix include two painted panels bolted together, with top and bottom stiffeners for additional support.

Use combination of panels for 3-5 Door Free-Stand Enclosures.

WARNING

nVent products shall be installed and used only as indicated in nVent's product instruction sheets and training materials. Instruction sheets are available at www.nvent.com and from your nVent customer service representative. Improper installation, misuse, misapplication or other failure to completely follow nVent's instructions and warnings may cause product malfunction, property damage, serious bodily injury and death and/or void your warranty.
