

Floor Stand for Heavy Duty Telescoping Bracket

FEATURES

Positions boxes 18-1/2" from the floor eliminating the need to measure and promoting consistent placement

Meets ADA (Americans with Disabilities Act) accessibility guidelines providing a 15" height minimum for "forward reach" from a wheelchair

Tool-free design snaps into channel of center plate and does not require screws to fasten

Bend out bottom indicator tab for locating bracket after drywall installation

Innovative design allows floor stand to be easily installed onto floor track

Integrated far side support that can be easily bent into position for multiple stud depths

Patented
