

Heavy Duty Telescoping Bracket

The nVent CADDY Heavy Duty Telescoping Bracket provides ultimate stud-wall flexibility, saving time on the job. This versatile box mounting system with base frame telescopes to the appropriate stud distance to allow for easy adaptation on any job site.

FEATURES

Improved design eliminates the need to measure, allowing installation to occur 18 in from the floor to meet ADA requirements

Innovative mounting tab allows bracket to be fastened and rotated into place reducing install time

Boxes can be added or removed without detaching bracket from studs

Compatible with nVent CADDY Heavy Duty Telescoping Bracket Reinforcement Rail

Attach boxes quickly and easily with snap-on box mounting plates (sold separately)

Box mounting plates can be securely snapped in any position along fully extended bracket

Rigid design eliminates need for far-side support

Ready to use out of the box, saving installation time and labor

Works with wood or metal studs
