

nVent CADDY CCT Conduit Clip

The nVent CADDY CCT Conduit Clip is an easy, tool-free solution for securing conduit runs inside nVent CADDY Conduit Trapeze. Simply slide the clip into place and listen for the 'click' sound to indicate a secure installation. With this simple design, contractors can maintain conduit alignment in trapeze despite movement during install, creating an offering that works for both prefab and on-the-job installations.

FEATURES

Single CCT Conduit Clip can work on multiple sizes of conduit

Tool-free installation

Audible click sound indicating secure installation

Designed to work with nVent CADDY CCT products

Ideal for prefabrication and on-site installation
