

nVent CADDY Heavy Duty Telescoping Bracket, Narrow Stud Spacing

The nVent CADDY Heavy Duty Telescoping Bracket, Narrow Stud Spacing provides ultimate stud-wall flexibility, saving time on the job. This versatile box mounting system with base frame telescopes to the appropriate stud distance to allow for easy adaptation on any job site.

FEATURES

Use in smaller stud spacings next to doors and areas where studs are less than 16 inches on center

Boxes can be added or removed without detaching bracket from studs

Attach boxes quickly and easily with snap-on box mounting plates (sold separately)

Box mounting plates can be securely snapped in any position along fully extended bracket

Rigid design eliminates need for far-side support

Ready to use out of the box, saving installation time and labor

Works with wood or metal studs
