

Wire Basket Tray Cutting Tool

The nVent CADDY Wire Basket Tray Cutting Tool is a simple yet effective solution for cutting wire basket tray. Designed to be used with the nVent CADDY Wire Basket Tray, this tool makes cutting the wire basket quick and easy. Contractors can minimize the presence of sharp burrs, edges and projections, ensuring the safety of not just the installer, but following personnel as well. Create a clean and protected cut while safeguarding the wiring jacket of the tray itself with the Cutting Tool.

The nVent CADDY Wire Basket Tray Cutting Tool is a simple yet effective solution for cutting wire basket trays.
