Fondo (D): 4.4mm
Altura (H): 6mm
Tipo de producto: Manga
Anchura (W): 8mm
Compatible con: Paneles frontales
Peso neto: 0.07kg

*The price shown is the per piece price and does not include VAT. Depending on local conditions, packaging and freight charges might not be included. Where these charges should be part of the total price, they are included in the quote. The price given is a non-binding recommended retail price (RRP), which is the nVent list price. The final sales prices of local distributors may vary. Quotations requested or generated on SCHROFF.nVent.com are only valid for commercial customers (B2B). The lead time displayed above is an estimate for this item to be dispatched from an nVent Schroff facility. Transit delivery times are not included in this estimate, as transit time may vary, depending on delivery address, parcel dimensions, and other factors. Cut-outs and modifications placed in non-recommended areas ("collision detected") for configured products may be subject to additional engineering and/or design costs, which may increase initially quoted prices.

DETALLES ADICIONALES DEL PRODUCTO

Las mangas metálicas en los paneles delanteros parciales deben presionarse.

Todas las mangas se pueden utilizar para el panel frontal > 2 HP.
