

# Gap Pad Easy Swap LFT, Short, 10 pieces

**New**

## NÚMERO DE CATÁLOGO

**20740-011**

This is a set of 10 Replacement Gap Pads for the Easy Swap LFT, short version. The gap pad can be either assembled to the cold plate or the board heat sink and guarantees a full surface contact between both. It is recommended to replace the gap pad after 20 insertion / extraction cycles.

## CARACTERÍSTICAS

Replacement Thermal Gap Pad for the short version of the Easy Swap LFT Cold Plare

Thermal Gap Pad should be replaced by new one after 20 Board insertion cycles

## ATRIBUTOS DEL PRODUCTO

Cantidad del paquete: 10

Familia de productos: Refrigeración líquida de placa

Tipo de producto: Kit de conector

Tipo: Accesorio de refrigeración líquida

Compatible con: Subpistas

\*The price shown is the per piece price and does not include VAT. Depending on local conditions, packaging and freight charges might not be included. Where these charges should be part of the total price, they are included in the quote. The price given is a non-binding recommended retail price (RRP), which is the nVent list price. The final sales prices of local distributors may vary. Quotations requested or generated on SCHROFF.nVent.com are only valid for commercial customers (B2B). The lead time displayed above is an estimate for this item to be dispatched from an nVent Schroff facility. Transit delivery times are not included in this estimate, as transit time may vary, depending on delivery address, parcel dimensions, and other factors. Cut-outs and modifications placed in non-recommended areas ("collision detected") for configured products may be subject to additional engineering and/or design costs, which may increase initially quoted prices.

## ADVERTENCIA

Los productos nVent deben instalarse y usarse solo como se indica en las hojas de instrucciones y materiales de capacitación del producto nVent. Instruction sheets are available at [www.nvent.com](http://www.nvent.com) and from your nVent customer service representative. La instalación incorrecta, el mal uso, la aplicación incorrecta u otras fallas en el seguimiento completo de las instrucciones y advertencias de nVent pueden causar el mal funcionamiento del producto, daños a la propiedad, lesiones corporales graves y la muerte y/o anular la garantía.
