

Wire Basket Tray Washer Support Plus including hardware, black powder coated

NÚMERO DE CATÁLOGO

WBTWASSPLUSBA

The nVent CADDY Wire Basket Tray Washer Support Plus provides a versatile, ready-to-install fixing solution to secure Wire Basket Tray to supports and secure compatible accessories. Its versatile design supports a wide range of applications, such as nVent CADDY Wire Basket Tray Preform, dividers and transition components, or anchoring the tray onto floor supports and pedestals.

Engineered for a smooth, snag-free interface with high-performance data cables, the Washer Support Plus features a smooth button/mushroom head bolt which installs inside a recessed part of the washer—leaving no protrusion or sharp edge inside the tray. Its symmetrical design catches two longitudinal wires and installs in any 90° orientation, while the slotted washer allows for side-to-side adjustment during installation.

CARACTERÍSTICAS

Comes complete with bolt, slotted flanged washer and flanged nut for a secure, ready-to-install fixing

Recessed bolt head with square anti-rotation section for a simple installation and a smooth, snag-free interface with cables

Symmetrical design catches two longitudinal tray wires and installs in any 90° orientation

Requires only simple hand tool to install
