

Wire Basket Tray Radius Corner Splice

The nVent CADDY Wire Basket Tray Radius Corner Splice is a simple and effective solution for creating intersections in cable tray runs. Not only does the Radius Corner Splice protect the natural cable radius, but it also reduces cable stress while routing 90-degree angles.

Designed to fit neatly into tray corners, the Radius Corner Splice enables safe, fast, and seamless creation of continuous pathways. Installers can get a professional finish while improving productivity and reducing time spent on elevated surfaces.

功能

Designed to be used with nVent CADDY Wire Basket Tray Splice Kit

Easy-to-use, requiring only simple hand tools to install

Includes two splice bars and eight sets of the splice kit
