

Wire Basket Tray Washer Support

The nVent CADDY Wire Basket Tray Washer Support offers a seamless way to mount cable trays in continuous pathways. Its versatile design supports a wide range of applications, such as creating 90-degree angles, connecting trays at intersections or anchoring supports to the tray system. With a user-friendly design, the Washer Support helps ensure that every cable tray configuration is both structurally sound and visually clean—supporting the demands of modern infrastructure with confidence.

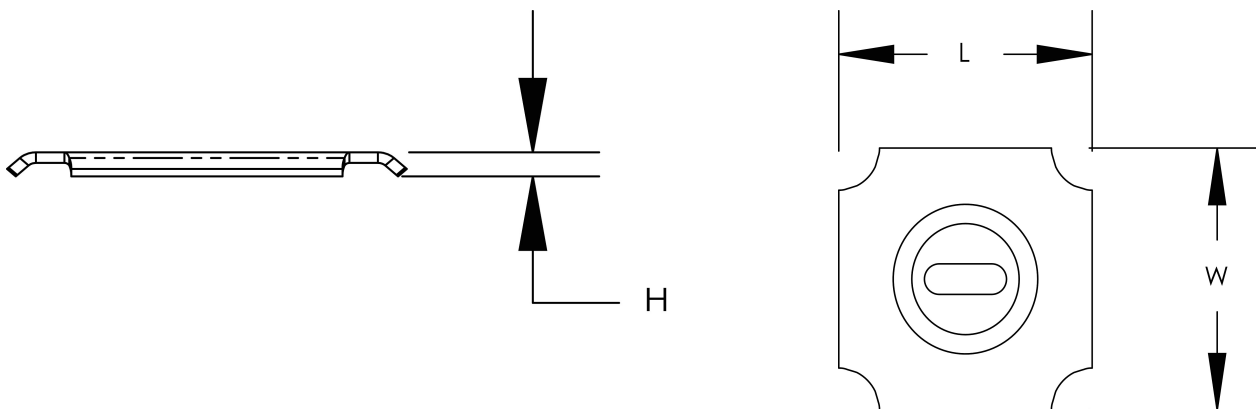

功能

Easy-to-use, requiring only simple hand tools to install

Use threaded rod protectors to protect cables

Can be used as a hold-down method or fitting splice
